

LET'S HEAR IT FOR THE GIRLS!!!

At long last lady Leos will have their equivalent of the Stud Dog Directory. As vital producers of the breed, our U.S. lady Leos will be part of a new LCA on-line Directory of both stud dogs and brood bitches. The Directory for the bitches will be similar to that for the studs, with a photo and stats on the first page and links to a personal page where breeders can include information on their girls' accomplishments, titles, add more photos of their bitches or offspring etc. There will be a link to the dog's CHIC page and the breeder will also be able to link to the International Pedigree Database and to an eventual BACL page if they would like.

How can you participate? As a new Breeding Committee project, we are inviting our currently U.S. LCA registered kennels to include their current brood bitches now. All U.S. Leonbergers who are AKC registered, whose owners are LCA members and who have a CHIC # with passing hips, are welcome. The page format will be similar to that currently used for the stud dogs.

The cost for the online Directory includes set up, one year of advertising your breedings and litters on the LCA website, and the ability to set up additional pages linked to your main page information on your girls' accomplishments, titles, offspring etc... As the LCA is no longer registering kennels, **new** U.S. breeders in good standing will be able to add their breeding females to the pedigree book for a fee of \$100 a year, pro-rated this year from July 1 to Dec 31 at \$50. ***There is no fee for LCA kennels of record until 1/1/10,*** We are giving our established kennels the courtesy of adding them to the Directory first. Grandfathered CKC kennels will also be added.

This is your chance to share your gal's attributes with other breeders and potential puppy buyers for a mere \$8.33 a month. That fee includes all of the females in your kennel although not any studs owned by your kennel.

1. Complete the information requested on the attached Brood Bitch Submission Form.
2. Select **quality, flattering photos**: standing side profile, head and front shot. These will be cropped to fit the page space.
3. Include a copy of your CHIC certificate.
4. You may email your information or slip it into an envelope and mail it to:
